- **The incumbent voted twice to delay the permit-streamlining pilot.**
  Source: Council votes, March 2024 and June 2025

CHRIS'S ANSWER

You may hear: “No government experience”
15 years building public projects on time and on budget — the experience the drainage project needs.

You may hear: “Will raise fees”
Grants first. No new fee without a public council vote and a cost breakdown residents can read.
